

Terms & Conditions

Prices & Payments

- Prices are subject to change without notification.
- All deposits to hold a horse are non-refundable.
- Discount available on the purchase of two or more horses.
- Payment is required in full at the time of purchase and before the horse (or horses) leaves our facility, either by personal check, which takes 10 working days for clearance, or bank/wire transfer or Paypal (the two latter are subject to transaction fees).
- A 50% (non-refundable) deposit secures an in-utero or foal until weaning.

Payment plans are available with the following provisions.

- a. 50% non refundable deposit is required with a signed contract
- b. The horse does not leave Heart N Soul until paid in full
- c. Term limits—no longer than 3 months unless arrangements are made ahead of time
- d. Board is \$150.00 per month during the interim
- e. Training is extra and determined by type and time
- f. Late payments cancel the contract and all monies paid to date are NOT refundable

Liability & Board/Training

- All liability belongs to the new owner once payment is accepted for a horse. We strongly urge you to purchase insurance as we accept no liability.
- Board is free up to two weeks after purchase while transport is being arranged. Thereafter, our charge is \$5.00 per day, with a maximum time of 30 days to pick up horse unless other arrangements are made ahead of time or in circumstances outside the buyer's control. However, the final decision still rests with Heart N Soul Arabians.

- Long term horses that continue to be stabled at Heart N Soul via pre-arrangement on a payment schedule (or even those paid in full) are charged from date of sale.

Transport

- Transport cost and arrangements are entirely the buyer's responsibility. We recommend www.equinehauler.com . We have used them several times and have found them to provide excellent service and fair prices.

Nutrition

- If the transporter agrees, you can purchase the HS-35 and ship it with the horse. We suggest purchasing a year's supply, which is approximately 3 bags for a "big" horse or one bag for a Miniature.

Photos

- All of our pictures have been taken by farm personnel. Unless otherwise stated, we own the copyright. Please don't use them without written permission/consent.

All terms and conditions as well as signed contracts must meet Heart N Soul Arabian's approval.
